Forecast for Tuesday 14 Jun 2022

Weather: The morning will be cloudy with some patchy rain at first. Still the chance of one or two showers around in the afternoon, but cloud breaking across Deeside, the Ochils and the Angus hills to allow some occasional brightness.

Chance of cloud-free hill tops above 800m: 70%

Low Cloud and visibility: Poor in low cloud across the Perthshire hills and Cairngorms with cloud down to 700 metres at first, this rising above most tops by early afternoon. Elsewhere, cloud above the tops through the day.
